

# Babbo Natale

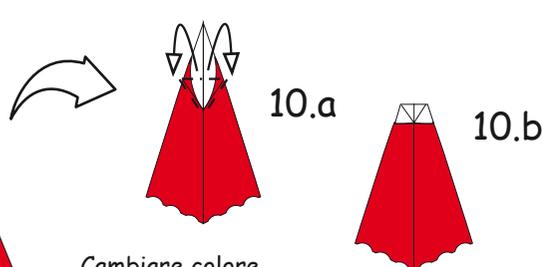

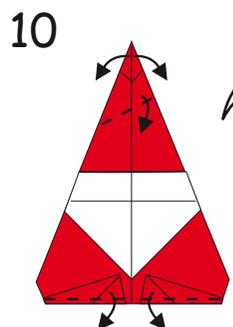

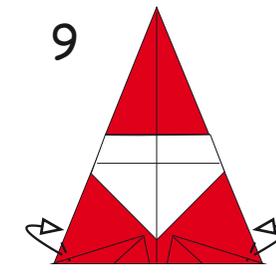

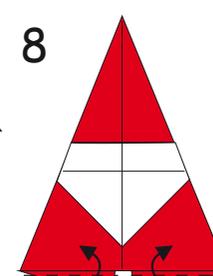

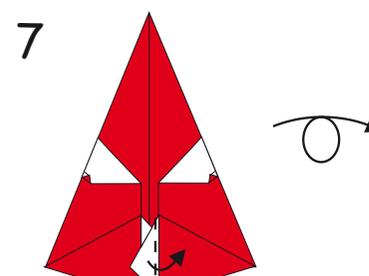

Dai forma al tuo Babbo Natale personale  
e inventa tanti modi diversi per decorare casa.

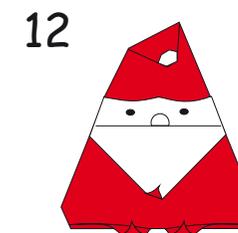

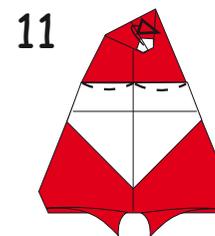

Afferrare il modello al centro  
e tirare verso l'esterno la parte interna.

Usare la piega esistente  
come punto di riferimento.

Cambiare colore  
alla punta del cappello.

Arrecciare le punte dei piedi e la barba.  
Abbassare le sopracciglia.
